## Copyright License

Tao Tien (the “Licensor”) grants you a non-exclusive, royalty-free, worldwide, non-sublicensable, non-transferable license to use, copy, distribute, make available, and prepare derivative works of the software, in each case subject to the limitations below.

## Limitations

You may use or modify the software only for non-commercial purposes such as personal use for research, experiment, and testing for the benefit of public knowledge, personal study, private entertainment, hobby projects, amateur pursuits, or religious observance, all without any anticipated commercial application.

You may distribute the software or provide it to others only if you do so free of charge for non-commercial purposes.

Notwithstanding the above, you may not remove or obscure any functionality in the software related to payment to the Licensor in any copy you distribute to others.

You may not alter, remove, or obscure any licensing, copyright, or other notices of the Licensor in the software. Any use of the Licensor’s trademarks is subject to applicable law.

## Patents

If you make any written claim that the software infringes or contributes to infringement of any patent, your license for the software granted under these terms ends immediately. If your company makes such a claim, your license ends immediately for work on behalf of your company.

## Notices

You must ensure that anyone who gets a copy of any part of the software from you also gets a copy of these terms. If you modify the software, you must include in any modified copies of the software a prominent notice stating that you have modified the software, such as but not limited to, a statement in a readme file or an in-application about section.

## Fair Use

You may have “fair use” rights for the software under the law. These terms do not limit them.

## No Other Rights

These terms do not allow you to sublicense or transfer any of your licenses to anyone else, or prevent the Licensor from granting licenses to anyone else. These terms do not imply any other licenses.

## Termination

If you use the software in violation of these terms, such use is not licensed, and your license will automatically terminate. If the licensor provides you with a notice of your violation, and you cease all violation of this license no later than 30 days after you receive that notice, your license will be reinstated retroactively. However, if you violate these terms after such reinstatement, any additional violation of these terms will cause your license to terminate automatically and permanently.

## **No Liability**
